★ **Volunteer Opportunities:** The success of MASC is dependent on the commitment of our staff, board of directors and countless parents and community members who volunteer to support our youth. Without this support, MASC could not sustain itself. The best way to encourage your child's love of the game of soccer is to "join in the sport". If you do not wish to volunteer, please add \$20 to your registration (one time charge per family). Families not fulfilling their volunteer commitment will be invoiced \$20 by the club.

4. Registration forms are due by the dates printed on the form. Late forms including any forms returned to the addressee due to missing information or payment will be subject to a \$10 late fee and placement on a team is not guaranteed. Further, players with late registrations will forfeit their roster spot on prior teams.
5. Teams are formed based on the age of the player per the rules established by the Iowa Soccer Association. Teams are generated randomly (via computer). Each team must have a coach and should also have a team parent and assistant coach. Should the club not receive enough volunteers for coach's and team parents, players will be waitlisted based on the date that their registration form was received postmarked by the club until such time that additional volunteers step forward. Should volunteers not step forward to support the program, any waitlisted players will have their registration fees refunded in full.
6. Volunteer commitment: each player family is requested to make a volunteer commitment to the club or pay a \$20.00 waive fee (per family). Families will be scheduled to support club activities during the season based on their volunteer commitment. Should a family not fulfill their volunteer assignment, they will be invoiced \$20.00. Should payment not be received by the club, the players account will be considered in arrears and the player will not be able to participate in future league play until such time that the fees are paid.
7. Additional fees: players are responsible for shin guards, shoes and should have a ball to practice with at home. Recreational shirts are required and can be purchased at the Sports Page. Players will not be permitted to play if they do not have the approved MASC Jersey. Competitive players are responsible for all uniform components and may also be assessed for tournament fees and referee fees depending on the league. **Shin guards are required for all players regardless of age or league.**
