

Refund Policy

Marshalltown Area Soccer Club will provide refunds as outlined below:

Fall/Spring Registration Fee: Registration fees will be refunded at 75% prior to the submission of players, rosters and fees to ISA (Iowa Soccer Association), IPSL (Iowa Premier Soccer League) and GDMJSL (Greater Des Moines Junior Soccer League). Refund requests that occur once information is submitted to ISA, IPSL or GDMJSL will be calculated on a pro-rated basis and have any associated state or league fees excluded from that refund as they cannot be recovered.

Fall/Spring Professional Coaching Fee: players participating in the Marshalltown Area Soccer Club Competitive Program (traveling teams), will be refunded the professional coaching fee in its entirety upon receipt in writing that a player wishes to withdraw from the program four weeks prior to the start of league play. After that point in time any refund request received in writing will be returned to the player pro-rated based on the duration of the league schedule.

The Marshalltown Area Soccer Club will refund registration fees and professional coaching fees in their entirety should the club not be able to roster a player on a team in their chosen league of play (Recreational or Competitive). Refunds will not apply to any special requests made by players including those requesting an "all girls" team. The registration form notes that should the club be unable to fulfill the requirements to have a viable division of "all girls" in a designated birth year, that the player will be rostered onto a co-ed team in an age appropriate division.

Fees associated with camps or clinics will be refunded in their entirety up to one week (7 days) prior to the commencement of the camp or clinic upon receipt in writing that a player wishes to withdraw from the program. After that time, no refunds will be provided.

The Marshalltown Area Soccer Club shall not be responsible for the refund of fees collected by teams to support tournaments, specialized practices, etc.

Adopted March 23, 2005
